Summery

I'm a dedicated and proactive lead with a strong focus on safety, efficiency, and team collaboration in data center environments. Experienced in leading teams to meet project timelines, implementing process improvements, enhancing communication, and committed to continuous professional development.

Professional Experience

Technician 1, E2 Optics *July 2024 - July 2025*

1) Supervisor: Assumed the role of field supervisor. Led a team of 50 people to project completion. Provided resources and instruction for task completion. Assisted in streamlining processes sitewide.
2) Lead Technician: Assumed the role of Lead Technician, where I assisted my team in performing various infrastructure tasks.
3) Technician 1: Participated in various networking, auditing, and infrastructure tasks. Provided valuable assistance and insightful suggestions to team leaders.

Front Desk Receptionist/ Personal Trainer, Maximum Fitness Center *July 2018 - July 2024*

While at the gym, I provided tours, trained staff, sold memberships, and offered nutritional advice to customers. Additionally, I maintained a clean environment by following guidelines and maintaining equipment.

EDUCATION

Colorado State University Global, 585 Salida Way, Aurora, CO 8001
July 2022-PRESENT
B.A Computer Science,
Minor in Virtualization and Cloud Computing, Current GPA 3.7
I have acquired a comprehensive understanding of Java, C++, Python, Linux, Azure, and AWS, and have completed several relevant projects. My passion for computers, programming, data, and various coding techniques is unwavering, and I am eager to explore other related IT courses.

Licking Valley High School, 100 Hainsview Dr, Newark, Ohio 43055
August 2013-June 2017
Licking Valley High School sparked my passion for technology. I believe in hands-on experience and devote time to learning outside of school. I'm confident in my ability to excel in the field of technology.
